Circular Letter No. 00-1346

**Re: Insurance Bureau Bulletin Board Service Network - IBBSnet**

The purpose of this circular is to remind our membership of Minnesota's participation in the IBBSnet - Insurance Bulletin Board Service Network, which provides insurance companies with a means of submitting data to MWCIA electronically, via a File Transfer Facility (FTF).

Several members use IBBSnet to transfer statistical data (WCSTAT) to the MWCIA. We are also prepared to accept Policy data (WCPOLS) using IBBSnet .

If you would like additional information regarding the IBBSnet service, please contact Carol Pedersen at MWCIA 952.897.6427; email address: carol.pedersen@mwcia.org; or call 1.800.655.8865 to speak to an IBBSnet representative.

If you currently use IBBSnet and would like to receive testing criteria to send policy data to MWCIA, please contact Kim LaHoud at the MWCIA (952.897.6412; email address: kim.lahoud@mwcia.org).

Please forward this circular to all personnel in charge of data transmissions for your company.

Very Truly Yours,

Linda M. Hanson  
Vice President
