**RE: Elimination of the Table of Classifications by Hazard Group – 4 Group Option
from the *Minnesota Basic Manual***

The Minnesota Department of Commerce has approved the above captioned filing effective January 1, 2010.

The purpose of this filing is to eliminate the Table of Classifications by Hazard Group – 4 Group Option contained in the *Minnesota Basic Manual*. MWCIA has been notified by NCCI that they will no longer be supporting the four-hazard group system on or after October 1, 2009.

MWCIA will retain the 7 Hazard Group Option.

Attached for your review is a copy of the *Minnesota Basic Manual* pages, related to the Table of Classifications by Hazard Group - 4 Group Option, which will be removed from the Manual.

If your company previously filed and received approval from the Minnesota Department of Commerce to adopt the 7 Hazard Group Option, no action is necessary. However, if your company has not adopted the 7 Hazard Group Option and instead has filed to adopt the 4 Hazard Group Option, your company will need to make a filing to adopt the 7 Hazard Group Option with the Minnesota Department of Commerce by November 1, 2009 to accommodate the January 1, 2010 effective date.

Please direct any questions you may have regarding this filing item to MWCIA's Actuarial Services Department at 952.897.1737 (Option 3) or via email at actuarial@mwcia.org.
