**RE: MWCIA's Release of Computer Based Training (CBT) on Classifying a Business in Minnesota**

MWCIA recently released a new computer based training (CBT) for [Classifying a Business in Minnesota](#). This CBT module guides you through some common questions and issues dealing with classifying a business here in Minnesota.

This CBT is geared toward all learning levels. MWCIA's CBT on [Classifying a Business in Minnesota](#) would be a useful training tool for new staff, for refreshing a current staff member's knowledge, and also serves as an excellent resource to assist insureds in understanding how they receive their classification.

We would encourage you and others at your organization to view this CBT by clicking [here](#).

Please let us know if you have any suggestions for future CBT topics or other comments by contacting MWCIA's Underwriting staff at 952-897-1737 option 1 or via [email](#).
