RE: Revised ***Minnesota Medical Data Call Reporting Manual***
Effective December 1, 2017

The Minnesota Department of Commerce has approved the captioned item effective December 1, 2017. The purpose of this item is to revise the ***Minnesota Medical Data Call Reporting Manual*** to remain consistent with changes the NCCI made to their ***Medical Data Call Reporting Guidebook***.

On August 21, 2017, the NCCI revised their ***Medical Data Call Reporting Guidebook*** to reflect appropriate information, for clarification, to include new reporting requirements, and to provide consistency with their other manuals. The changes include the addition of Texas to the list of applicable states, clarification to the reporting frequency and duration requirements, updated the Paid Procedure and Place of Service Codes, and eliminated the glossary from Part 9.

The revised ***Minnesota Medical Data Call Reporting Manual*** can be found on our website on December 1, 2017 at www.mwcia.org under the MN Manuals link.

If you have questions regarding this matter, please direct them to MWCIA's Actuarial Services staff at 952-897-1737 (Option 3) or via email at actuarial@mwcia.org.
