**RE: Carrier Data Quality Reports Available in Web Membership**

Each year, the Minnesota Workers' Compensation Insurers Association, Inc. (MWCIA) distributes Carrier Data Quality Reports to our member carriers for data that was received or due in the prior year. The objective is to provide carriers with useful feedback regarding the quality and timeliness of the data they submitted to MWCIA.

The 2019 Carrier Data Quality Reports will be mailed out March 4, 2019. In addition to the mailed reports, this year MWCIA is pleased to announce that Carrier Data Quality Reports are also available online. The 2019 reports, along with 2017 and 2018 reports, may be accessed using MWCIA's Web Membership system.

MWCIA's Web Membership system allows insurance carriers and agents to manage their user accounts and provides access to a variety of MWCIA web products. For more information on Web Membership, please see the Web Membership user guide, available on our website, <https://www.mwcia.org/WebMembership/Login.aspx>.
