RE: NCCI *Medical Data Call Reporting Guidebook*
Effective Date July 1, 2019

NCCI *Indemnity Data Call Reporting Guidebook*
Effective Date July 1, 2019

The Minnesota Department of Commerce has approved the above two filings to become effective 12:01 a.m., July 1, 2019.

In 2010 the National Council on Compensation Insurance (NCCI) implemented the Medical Data Call with Minnesota listed as an applicable state. The NCCI has now announced the addition of an Indemnity Data Call that will also be applicable in Minnesota.

With the approval of the captioned filing items, Minnesota will now be using the NCCI *Medical Data Call Reporting Guidebook* as the official reporting guidebook for Minnesota to replace the current *Minnesota Medical Data Call Reporting Manual*. In addition, the NCCI *Indemnity Data Call Reporting Guidebook* will be the official guidebook for Minnesota as well.
