RE: MWCIA President / CEO Search

Dear MWCIA Members,

Brandon Miller, President of the Minnesota Workers' Compensation Insurers' Association, has informed the Board of Directors that he will be retiring in April 2022. We are grateful for Mr. Miller's excellent leadership over his tenure and appreciate his support as we embark on his succession plan.

The Board of Directors is launching a national search to identify Brandon's replacement. We expect to name a new President in advance of Mr. Miller's retirement and to provide time for some overlap to ensure a smooth transition and a seamless experience for members and the public.

The Board has created a search committee, which has engaged Diversified Search Group, to assist in the process of selecting the next MWCIA President. They will accept applications and referrals for qualified candidates through April 30, 2021.
