2nd Annual MWCIA Webzone Madness Event – Week 2

In a rough and tumble week one, all of our returning teams were knocked out! The crazy matchup to watch for week 2 is between the Experience Mod Explorers and the Breaking Down Experience Mod Barriers – who will make the epic dunk and who will throw the alley-oop? Click the link to vote for your favorite and enter to win a \$25 gift card.

If you need a refresher on how to play:

The rules for participation and entry to win one of three \$25 gift cards are simple. Click on the links on our website or our social media pages to take part in the matches through survey monkey. You must leave a valid email address to participate. (This is only so that we can add it to the random drawing for the gift card and have a way to contact you should you win.)

Simply pick your favorite or most useful MWCIA Program, Computer Based Training or Reference Page out of the matchups listed and vote!

Check back each Tuesday for the winners of the previous week and for the next bracket.

Another round begins the following week.

It really is that easy!

Sincerely,

MWCIA Staff and Management
